## Highlights

The Sunpak 6601TM tripod monopod is the ultimate in tripod with a full size incorporated full size monopod. This offers the flexibility that cannot be achieved in any other tripod system available today. No longer do you need to worry about carrying a separate monopod at sporting events, outdoors or where situations do not allow the use of a tripod. Made for today's full size digital DSLR cameras and camcorders the 6601TM knows how to handle the situation. With 3 sections legs it folds compactly and ready to go on any photo adventure. A full size tripod, full size monopod with full size features you can use today and tomorrow!
