## mini-D Tabletop

### Highlights

---

The Sunpak mini-D tabletop tripod is all you need to get the shot with your compact digital camera or camcorder. The mini-D makes it easy to get better and sharper photos anytime. Being super compact it is the take-anywhere tabletop tripod to keep in your camera bag. Its light weight design makes it easy to set up in seconds and with three leg sections it goes almost instantly to 11.5" high. The locking ball head allows easy movement for the perfect shot or angle with a compact camera or digital camcorder. With a free pouch, you can stick in your pocket. And it has a limited lifetime warranty, so you never have to worry.
