

Sunpak

4200XL Tabletop

Highlights

The Sunpak 4200XL tabletop to 42" mid-size travel tripod is the perfect unit for today's compact point and shoot cameras and camcorders. Starting with its rubber camera plate that is gentle on cameras and provides anti-rotation as well. Its three way pan head is smooth and quick acting and makes easy work of following any type of action and the oversize pan head knob is easy to use even with gloves on. The all metal 8 section legs are stable from 11" to 42" with up to 2.6 lbs. of camera equipment mounted to it. And it sets up in a snap with its easy to use twist 'n' lock legs that keep you capturing images and videos.
