

Sunpak

5200DLX

Highlights

The Sunpak 5200DLX digital tripod is the simple solution when you need a tripod for your digital camera or camcorder. It also comes with adapters for smartphones and GoPro. With top rated features and a low price, the 5200DLX sets itself apart in the light weight tripod arena. It is the perfect full size 52" tripod for anyone who needs a stable platform. Finished in a great looking professional matt black finish, its features shine though like the aluminum legs with flip lever leg locks and non-marring rubber feet. The 3-way pan head includes a quick release plate with a video indexing pin and bubble level.
