

Sunpak

5858D

Highlights

The Sunpak 5858D 58" camera and camcorder tripod is perfect for today's smaller and lighter equipment. Starting with its quick release plate with video indexing pin, make it a great choice for any camera. Its three way pan head is smooth and quick acting and makes easy work of following any type of action. With its adjustable geared center column getting the right height is fast. For comfort the extra long neoprene leg wraps keep them easy to handle in the heat of the summer and the cold of the winter. With its folding handle, transport is a snap and with oversize flip lever leg locks setup is fast and easy.
