

Sunpak

Ultra 7000TM

Highlights

The Sunpak Ultra 7000TM tripod monopod is the ultimate in tripod innovation with incorporating a full size monopod. This offers the flexibility that cannot be achieved in any other tripod system. No longer worry about carrying a separate monopod at sporting events, outdoors or where situations do not allow the use of a tripod. Made for today's heavy weight cameras and camcorders the 7000TM knows how to handle the situation. With 4 sections legs it folds compactly and with its integrated folding handle transporting is a snap. A full size tripod with a full size monopod with all the features you demand right now.
