

Sunpak

Video PRO-M 4

Highlights

The Sunpak Video PRO-M 4 is a full featured video tripod that is perfect for anyone shooting with a camcorder or HD/SLR. Laced with professional features while keeping weight down for easy travel and packing. In addition, the 4 section legs keep the overall size down to when it is time to pack; no need for oversize cases. This is a light, full size and full featured video tripod that stands a full 65.0" tall. It also offers a geared center column with folding crank for perfect height adjustments. The true fluid pan head with extra long pan handle will allow you to follow the action effortlessly and seamlessly for the ultimate in video captures.
